## Early Years

This half term Miss Rowley has joined the Early Years team as the Nursery Teacher and has had so much fun getting to know all the children in the Early Years unit. We have also read three new story books- Goldilocks and the Three Bears, The Three Little Pigs and The Little Red Hen. We have made houses for the Three Little Pigs out of junk modelling which was lots of fun. On Fridays we have been baking lots of yummy things- Cherry and Banana Flapjack, Blueberry Yogurt Muffins and Chocolate Fork Biscuits. We have been developing many skills whilst doing this such as mixing, mashing and cutting. We also got to taste what we had made, it was very yummy.

## Class 2

Class two have had a fabulous half term with lots of exciting new learning. We really enjoyed learning all about the Queen and her Jubilee. To celebrate, this week we designed and made our own fruit kebabs, choosing which fruit we wanted to include and drawing our designs. We shared our kebabs with class three and had a mini Jubilee feast!

### Class 3

Class 3 have had a busy but fabulous half term! We worked so hard on assessment week and Mrs Hickey is so proud of us all. In design and technology, we made couscous to share with Class 2 at our KS1 Jubilee Party. Lisa (our school cook) came into our classroom to give us a lesson on how to safely use a knife and we used our new skills to prepare the vegetables for our couscous. Our favourite part was eating the couscous, it was delicious!

### Class 4

In class 4 we have been learning about Rocks in Science! The children have enjoyed going for science walks to collect rocks and soils. They have been discovering how fossils are formed and how soil is made. They have been using some amazing scientific vocabulary in all lessons! They have been classifying rocks and soils into groups using their scientific vocabulary. They all have been participating in all the investigations and have enjoyed learning outdoors. Look at some of the amazing investigations they have done!

## Littletown J I & N School

### Class 5

In class 5 this half term in Geography we have learnt all about volcanoes. How the Earth has an inner and outer core, a mantle and a crust. After we had explored volcanoes and the earth's crust we went on to investigate a collection of different structures. We experimented various ways of how to strengthen structures. After designing we began constructing our volcanoes

Over half term we will be sending a science experiment to make your own 'lava' we look forward to seeing your pictures and videos.

### Class 6

I am so unbelievably proud of Class 6 this half term and how hard they have worked in both their lessons and their Year 6 SATS. They persevered and showed great determination and resilience, rising to the challenge! Over the past week, we have been spending some time on art and design where we have enjoyed designing and creating our own carnival headpiece. The children chose a range of materials to include in their headpiece and their creativity certainly flowed!

## Littletown J I & N School

### Sports clubs

Legacy Sports will be on again this next half term:

Class 2 - Tuesday 14th June- Tuesday 19th July

Class 3 - Monday 13th June - Monday 18th July

Class 4 - Friday 10th June - Friday 15th July

Class 5 - Thursday 9th June - Thursday 14th July

Class 6 - Wednesday 8th June - Wednesday 13th July

**The session times are 3.20 - 4.20pm Please collect at 4.20pm from school office**

All staff are DBS checked and approved.

### Safeguarding

We are here to help if you need. Please feel free to contact us if you have any concerns

Mrs F Ward—Designated Safeguard Lead

Mrs S Wensley—Deputy Safeguarding lead

Mrs H Lombard—Deputy Safeguarding Lead

### Succeses

Well done to all of our year 6 and year 2 children who have completed their statutory assessments this half term!

We are very proud of you all.

### Assessments next half term.

Year 4 will take part in the DfE multiplication check and year 1 will complete their phonics check.

Years 1, 3, 4 and 5 will also complete NFER tests in English and Maths. These are internal assessments and will be used to support teacher assessment that will be shared with you in your child's summer report.

If you have any questions, please do not hesitate to ask your child's class teacher.

Eileen Fenton came to visit the children in an assembly to talk to them about swimming the channel and her MBE.

Such an inspiration!

Find out more about this wonderful lady:
