Early Years

This term we brought back one of our most loved Littletown traditions and went on an Autumn Walk with our grown ups, our first walk since 2019! We donned our wellies and coats and headed to Royds Park. When we got there, we explored the park, hunting to find conkers, or different coloured leaves. We had lots of fun getting creative with different Autumnal crafts, getting messy with paint and conkers, gluing leaves to make animals, making our own pumpkins, and having a go at carving real ones too. When it was time to stop, we enjoyed a little picnic in the park before returning to school. We love Autumn!

Class 2

This half term class two have enjoyed reading a range of traditional tales such as Hansel and Gretel, Rapunzel and Pinocchio. One of our favourite books was called "The Jolly Postman" where he delivers letters to lots of different characters from stories such as Goldilocks and the three bears, Jack and the bean stalk and Cinderella. We decided to write him an invitation from Goldilocks, inviting him to her party. As a class, we walked to the post office to buy some stamps and even posted them to him in the post box by school!

Littletown J I & N School

Class 3

In Class 3 we have had a super half term! Our story book was Traction Man and we really enjoyed reading about all his adventures and we even had a go at making our own mission up in Big Write! We learnt about Harvest Festival and then we went to the apple trees on the field, harvested some apples and then prepared them to make an apple crumble. We washed, peeled and chopped the apples and then made the crumble. We baked the crumble and then ate it with custard, it was absolutely delicious! To finish off our half term, we had a spooky dress up day and a disco. What an amazing time we have had in school so far! Have a fabulous break everyone!

Class 4

Class 4 have had a brilliant start to the year. All the children have settled in well and have been working extremely hard. In Science, they have been exploring the habitats of living things by exploring our school grounds and then working in teams to classify the living things and their habitats helping us to make predictions of where we might find different living things around the world.

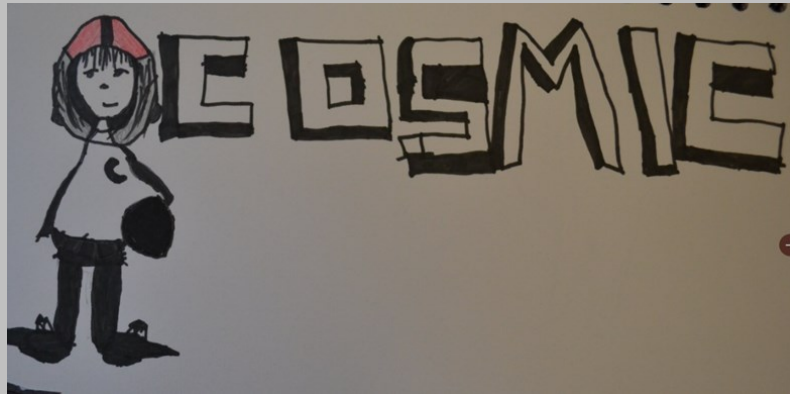

Our class book called 'The Mousehole Cat'. We have in particular been looking at the illustrations through this book and recreating our own illustration books. These illustration books are looking amazing and we hope to show these at parents evening.

Littletown J I & N School

Class 5

This half term in Art we have been studying typography, maps of Eastern Europe in Geography and our class book is Cosmic By Frank Cottrell Boyce. We used the things that we had learnt in each lesson to create some out of this world Cosmic Art. We looked at how different fonts and letters are used in typography. We looked at how these are used on different maps and media. We created some of our own typography using our initials to show our interests. We were blown away when the author of our class book commented on our twitter saying how wonderful our typography skills are!

Class 6

Class 6 had an excellent week on residential at Robin Wood! We faced some of our fears, showed great resilience towards challenges and thoroughly enjoyed all of the activities. The class particularly enjoyed canoeing and raft building where we had to work as a team to stay afloat!

Dates for your Diary

Whole school

15th November - Grab a grown up day with Conrad Burdekin

18th November - Children in Need—Spotacular dress up day £1 donation

16th December - Last day of term - Christmas church performance 1.30pm (Children can be collected from the church this day) There will be no after school club this evening.
